

IES Roadshow Schedule

Please come out to see this exciting Program with the IES Vice-President Chip Israel! Chip will discuss the new 10th Edition of the IES Handbook, as well as go into detail about his program on Lighting and Daylighting for Sustainable Commercial Spaces. There will also be a drawing for an IES handbook at each meeting. Please take this opportunity to see a premier speaker visit your local section!

Schedule 2011 See link for Section contact information on additional details for each meeting. http://www.ies.org/about/links_sections.cfm
